Office Order

The "Maintenance Cell" has been established for the Academic Year 2019-2020 in accordance with the regulation. The Institute has an established system for the maintenance and utilization of computers, classrooms, and equipment on the campus. The main purpose of the regular maintenance cell is to ensure that all necessary equipment for maintenance in production is always to carry out its efficient work. The Cell also looks after cleaning, lubricating and making minor adjustments. It also reduces equipment failure and unplanned downtime. This is one of the top reasons why organizations focus on maintenance cell. It helps with workplace safety and also to keep costs under control by improving equipment efficiency.

The objective of the Maintenance Cell:

1. Maintenance of Computer hardware as well as software.
2. Estimate Job based on Planner Expertise – by creating a checklist for every maintenance work order and keeping track of the same.
