## Action Taken Reports

1. As the suggestions of students are all about co-curricular activities and intra-college competitions to be conducted in the college; the college has been working on these aspects along with the improvement of other aspects of teaching-learning process.
2. A dedicated Information Technology lab (IT) and ICT tools in classrooms are established for holistic development of the students. In terms of infrastructure, the college has a beautifully designed library for students to work on their research and knowledge gaining process.
3. Guest lectures on varied subjects and current issues are arranged from time to time to make the students understand the multi-dimensional perspectives.
4. College has been working on building communication skills and leadership qualities among students right from their early stage by giving them the opportunity to lead in their classes.
5. The said suggestions were communicated to the College Development Committee, Principal and the concerned authorities. Proper action has been taken for the improvement of the above suggestions by the management.
